

# FOAM CUTTER

Powerful Defoaming Agent

Net Contents: 1 Quart (.95 L)

## ACTIVE INGREDIENTS

Silicone Fluid Emulsion 10.0%  
Inert Ingredients 90.0%  
All ingredients are listed in 40 CFR 180.1001 as exempt from the requirement of a tolerance.

## **CAUTION**

**KEEP OUT OF REACH OF CHILDREN  
STOP-READ LABEL BEFORE USE**

**Before using this product, read all  
Precautionary Statements, Directions  
for Use, Conditions of Sale**

## **General Information**

FOAM CUTTER is formulated to neutralize foam in pesticide and/or fertilizer tank mixes. FOAM CUTTER works regardless of the pH of the solution and will not precipitate. FOAM CUTTER reduces waste from pesticide spillage and saves tank fill up time.

## **Directions For Use**

### **Shake Well Before Use**

**Antifoam** - Add  $\frac{1}{2}$  - 2 ounces per 100 gallons of tank mix. For best results, FOAM CUTTER should be added to the mix tank when it is  $\frac{1}{4}$  full, before pesticide(s) or surfactant(s).

**General Defoamer** - Add 2 - 4 ounces per 100 gallons of tank mix added to the spray mix at the point of greatest agitation.

**Spot Defoaming** - Apply in small doses over established foam until desired result is achieved.

## **Precautionary Statements**

Before using this product, read the entire label. Direct contact with eyes may cause mild irritation and redness. Ingestion may cause irritation of mouth, throat and stomach with possible nausea and vomiting.

## **Statement of Practical**

### **Treatment**

**If Swallowed:** Drink at least 2 glasses of water and induce vomiting. Never give anything by mouth to an unconscious person. Get immediate medical attention.  
**If in Eyes:** Flush eyes immediately with plenty of clean water for at least 15 minutes. Get immediate medical attention.  
**If on Skin:** Wash thoroughly after handling and remove contaminated clothing. Do not reuse contaminated clothing before laundering. If irritation or redness occurs, consult a physician.

## **CONDITIONS OF SALE**

This product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with directions under normal conditions. Follow directions carefully. Timing and method of application, weather, and crop conditions, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks given herewith. In no case shall the seller be liable for consequential, special or indirect damages such as loss of profits or values resulting from the use or handling of this product.
