

May Tips

Mothers Day is Sunday, May 11th.

Jay-Mar has a terrific selection of unique gifts to show Mom how special she is to you.

- Dandelions are coming soon. Stop them with an application of Weed & Feed or spray them with Trimec.
- Keep your dog healthy and free from ticks and fleas with collars, sprays and spot-on treatments.
- Much of the rest of your vegetable garden can be planted this month. Potatoes, onions, carrots, peas and greens should be in already. Plant these this month.

Beans	Squash	Broccoli
Cauliflower	Melons	Tomatoes
Lettuce	Celery	Pumpkins

Now is the time to do battle with Creeping Charlie. It's a very persistent weed. Use SpeedZone. It may take a couple of applications, but you will be successful. Ask in the store for more advice.
